After seeing it snow a lot in winter, it made me wonder if it was going to rain a lot this spring. For days now, the rain has been coming and going. After days like this, it would be nice if it stopped raining and if spring came. Lately though, even if it's spring that's near, it feels more like summer is almost here.

Ah, so you were lying down? But you weren't sleeping, right? I saw that you even had your lights on.

Elder, it can't be again...

Yup. Doesn't one start feeling hungry around this time? It's the same for you too, right?

Moreover, I suddenly wanted to eat those dried persimmon walnut rolls you made me last time~

Would you please go to the kitchen and make me some?

For your information, I'm still a patient recovering from excessive eating.

This old man has eating habits that won't let him relax around it right.

And, just a few days ago, weren't you yelling at me even though I didn't do anything wrong? Moreover, this afternoon, you acted as if I never existed, and now, because you want me to make you a midnight snack, you're being nice to me again...?

Please go wait in your room.

Thanks Jin-mu~

I don't know  
anyone!

Guess what, last night I saw  
Ara with a guy in the dark  
woods together! So I asked her  
who he was and what they  
were doing there, but she just  
turned around and left!

Plus yesterday,  
the guy's face  
was masked and  
the atmosphere  
was kind of eerie.

It seemed strange,  
so that was why I  
asked her, but all she  
did was look really  
startled and didn't  
even answer me.

Hmm

Well, she was probably  
very surprised because  
it was supposed to be  
a secret until you  
found out. But more  
importantly...

I wonder what you were  
doing that late in the  
woods, huh?

oops

Was it  
Min-Gu?

You look  
over there~

Where can I find Hae-Kang?

Unni.

Ah, doctor. Unni isn't here yet, it's before her time to come for work.

What's the problem?

I believe that the substance Jin-Mu brought is a chemical used to soften clothes.

In other words, it helps make cheap fabrics feel soft to the touch, and give them a sheen that makes them look as if they are actually expensive material.

Do you know what the main source of this substance is?

However, this chemical is highly toxic. The toxin added in the chemical is to help dissolve the rough fibers on the outer side of the cloth.

As one might see, when heated, the toxin evaporates into gas. It's highly likely that it was that gaseous toxin that Hae-Kang and Jin-Mu had breathed in that day.

It's a chemical with various ingredients. As I was investigating, I heard that Daengok had that kind of special skill.

But, if it's a cloth that was used in a toxic chemical that has dangerous properties, would the person who wore it be okay?

It's a piece of clothing that'll be in contact with your skin.

Well...

Even if it is dipped in a substance that has toxic added to it, there are probably other processes that it has to go through, so there's no guarantee that 100% of the chemical will remain. Well, if the person had sensitive skin then they might have some reaction towards it.

But, there hasn't been any talk about someone having skin problems from wearing Maman's products yet, right?

Okay, Doctor, thank you for all the things you have done.

Ahh, no.

Now, let's go open the shop. And when it's time to close up, I want us to hold a meeting.

I'll admit it. So far  
we... no, especially I

Was truthfully  
flustered  
and lost.

But that's going to  
end here.

Starting now, I'm planning  
on implementing the  
concluded prospects for  
our 'Mei' shop.

We are no longer  
going to continue  
our competition  
with Niamae.

We cannot afford to  
release large amount of  
our products at cheap  
prices like how Niamae's  
size can allow.

Therefore, we  
will give up on  
trying to do so.  
Instead—

144-11

Using the value we  
were able to make  
from all that time!

I realized that  
our only way to  
survive is to  
minimize that  
attritional!

A high-class brand!

Protecting  
customized  
tailoring to fit  
our customers'  
needs!

CRASH

Simply saying, I want  
us to become better  
at what we have  
been doing so far.

Father, I apologize for  
making you worry  
about unnecessary  
things the past few  
days. Starting now,  
just focus on  
designing.

And together,  
let's try making  
the world's  
best lingerie.

The deciding factor of the  
elegance of our 'Wai' shop.  
The special product that  
everyone will want to buy,  
if they haven't already!  
And then with that  
magnificent lingerie,  
we will make the 'highest

entire population  
looks up to, wear it.

Highest  
valued lady?

The one and only,  
her majesty—

If we're talking about functional undergarment that is good for you and eco-friendly then I have a few ideas myself!

Um, would you help me with the design please?

Getting fired up by yourself right first, we need to see if it's okay for designing.

Your  
majesty.

His?

This concubine has a  
few worries lately.

'Worries'?

Lately, the business  
my family is doing is in  
a difficult state, so  
they are going through  
many hardships.

Oh, now that's  
too bad.

Yes, your majesty. A few days ago, a rich merchant from Desguak came to Lingxi and recently opened an undergarment shop.

And then, by selling a large amount of clothing for really cheap prices...

There, turn the boat to where these flowers are!

Yes, your majesty

Now, what did you say?

Nothing.

Huh?

Now what's that?

This is how an unexpected black cloud began to form between the relationship of the queen and Wan.

Your honor, Officer Choi.  
It's been so long since  
we've last met.

Ah, what brings you  
to the Pochung?

A few days ago, some people had trespassed into our factory, so I was on my way to make a request to capture them.

Something like that had happened? Then, please trust the Pochung and wait for the results of the investigation.

Of course, I have absolute belief that the Pochung will do a thorough job.

It's also reassuring to be able get the chance to tell Officer Cho like this. Anyway, please take the matter in concern.

Just how you take in thought of Hae-Kang's problems.

Excuse me, but I believe I have warned you to be careful with your words

Well, it seemed like you weren't doing well with Hae-Kang so...

If I were to tell you that there is absolutely no way that Officer Choi and Hae-Kang will do well together, it'd still be no use right?

Also, it's probably  
hopeless to say that  
it's Hwi-Kang's spe-  
cialty to reject a man  
once she had received  
his kindness. Right?

Anyhow, I pray that  
someone, like Officer  
Choi will be able to at  
least protect their image  
till the end

Well I guess every  
person would be-  
lieve that they are  
greater than  
anyone

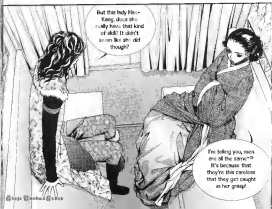

Well, he is the executive  
of Pochung. Don't you  
think you've messed  
with him too much?

Well, is he of  
any help to us?  
It's fine...

But this lady Han-  
Kang, does she  
really have that kind  
of skill? It didn't  
seem like she did  
though?

I'm telling you, men  
are all the same!<sup>2</sup>  
It's because that  
they're this careless  
that they get caught  
in her grasp!

Well, it's all  
stuff from  
the past.

Okay,  
but did  
anything else

Right now, it's more  
important that we find out  
what secret strategy the  
Min shop is plotting

We'll probably receive  
some information today,  
since the person said he  
would meet with the  
agent in Min shop.

An Usui from the shop  
and she saw us from  
last time.

What? So  
was that why  
you asked to  
meet him?

By chance, you  
didn't look anything  
we said, right?

Well, it's not  
that but...

I think they're  
getting on to  
something.

I don't want  
to do jobs like  
this anymore.

I'm telling you, they're  
starting to doubt me  
now! Everything is going  
to be ruined if we  
keep going on like this!

Shuddup!

I thought I told you  
to shut up! Do you  
just want me to let  
everyone know right  
now?

Just how the  
thief was able to  
enter your shop!

Or how you told me  
lots of stuff about the  
shop when you knew  
that I was the actual  
mastermind of  
Himote!

Plus the fact that  
you grew up and  
was from a gang of  
thieves!!

If those people were to know all  
this, they'll probably be like "Ah, no  
wonder, she was naturally like this  
from the start. You sure can't  
change your habits!" And in this case,  
they'll chase you out like you're not  
even human! So it is?

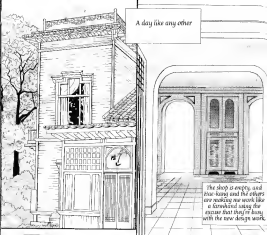

Hey, Anou, I'm  
sick of this  
too.

Those people from Mamas  
are really scary. All our gang  
did was for fun, you know?  
That's why this is just a way  
for me to let out

So, let's try to  
help you and me  
first

Now, tell me. What's going  
on in that shop of yours—

*A day like any other*

*The shop is empty, and the kung fu masters and the others are making our work like a furnished using the answer that they're busy with the new design work.*

But...

Please, give me a chance to meet with you just once!

You fell for me? After some time of wondering if it's true or not, I think my mental state has gone a bit...

But you know,

accept your  
feelings.

It's not just that your face  
isn't my type, it's that  
you've treated me with  
such a bad attitude until  
now.

You Like me.

Well I guess you

Since proud girls like

But in the end,  
you'll have no

admit it. That  
you're crazy  
in love with me.

like what that guy just said...

Is it really true?

Then again, it's not  
like I can ask  
someone about my  
feelings

Hello

Ah, Han-Kang  
Please come in.

Here, this is the  
list of items we  
are going to  
purchase today.

TRULY, IT'S  
TRUE THAT I'VE BEEN  
FEELING WEIRD  
EMOTIONS WHEN I'M  
WITH JONAH  
SOMETIMES

BUT DO THOSE  
EMOTIONS REALLY  
MEAN THAT I LIKE  
HIM?

THAT DOESN'T  
MAKE HIM A  
BOY, NO."

What did I tell  
you? You just  
can't seem to  
take your eyes  
off of me."

NO...

That can't be  
it

You go to the shop first. I need to go out to meet a friend who's returning from Daegok.

좌아

It's not bad at all, considering that it's our first.

Our fingers are always on the top no matter where it is!

Of course.

I would like this to avoid our production the next voyage to Dongguk, but we're actually in the process of preparing a new product.

I want it introduced to Dongguk nationwide. To be firm, the products from before were already made due to the preparation of the day involving such a lot of flaws.

But for this product, I make sure to leave the people behind!

In their suit! They must stop and wait! Only for an six months, will that suffice! Only for six months!

Amazingly!

Alright, then I'll be waiting for you this time!

I could believe it! Reluctantly, you are accompanying the Dongguk market! Well, I'm right next to my house.

This is it.

Because of you, Misses!  
But watch out, we're going to make Dongguk our!! And the Dongguk market! We're not going to lose to you in the end! Just wait and see!

Just wait and see!

Brother, as  
you came.

That's right, long time  
no see, Youngest brother.

Sometimes you  
have quite a few  
customers.

Yes, it's  
rather easy to  
say, but in Lingshan,  
our store hits the  
nail...

Of course now,  
think about the  
money we had  
poured into this.

But you said you still  
need more? If one  
relates to business,  
shouldn't the word profit  
be included as well?

Well, if you just want to be  
happy, we will be able to gain  
a huge amount of income  
from this. In a while, we will  
prepare to expand our shop  
to the capital too.

Father is beginning to  
become interested in  
what you are doing.

When you are  
certain that this  
will bear fruit.

It would be best to  
show father that you  
still have thoughts of  
stepping down.

There is not  
much time left.

To me, all I heard  
was that he wanted  
to see some results.

His tone may have been  
stern but it did not sound  
like he wanted us to stop  
the business.

Will we? Of course we  
will. As quickly as  
possible? Certainly.

Moreover, it's not  
like we do not have  
a plan.

Therefore, please  
don't be indecisive and  
just concentrate on  
the work you must do.

If you receive  
a plan.

Yes, "The Queen's  
Lingerie."

Concluding on what our  
agent had told us, it seems  
that this will probably be  
the Min shop's last card.  
But if that were to become  
reality there.

There is no way they  
can stay in the game  
any longer.

I believe we received excellent feedback from the noblemen on today's lingerie collection.

Thanks to all from your help, Miss, it is now not far from, we wouldn't have made it possible to receive a spot that would satisfy the tastes of the noblemen as it had today.

Not at all, it's all thanks to all the wonderful lingerie that made this a success.

Thank you, I really do have confidence in our products.

Yes, they truly are wonderful.

With these few products, in the end, I know we will be able to pass Himeko. Right, Miss Hime-Kung?

Absolutely! Plus, we even have a reliable sponsor like you, Miss Ji-Hong!

His Majesty, why are you outside?

I heard that we had a good day today, but why are you moving in the right wind looking so nervous.

Did you come outside, too, because you were troubled father?

It's a product where I can do whatever I please, whether it's the fabrics I want, or materials I choose, but

because it is for the majority, it's making me feel more cautious than usual

Even though I need to hurry up and finish, for it to help our shop

Father...

I was also wondering how I was going to tell this to you but...

Yes?

Eventually, I believe you have the right to know the truth about our situation

Our shop is in a situation where, using any the phrase that it is hanging on a cliff is enough to describe it, and that just goes to show that our sales and profits are at a critical point.

Even if the new product, reaches to target the nobleswomen, received a positive reaction, and even if the exported merchandise in Daigoku-cingien a good response, none of these will be enough to change the tide to our side.

The only thing that can save us now is just one shot in trying to get everyone's attention.

The Daigoku-cingien.

In the end, that'll be the deciding factor on who's who or loss if any be, and in whatever way will also be both my shop's and Misawa's

Believing that  
Hemlock was poisonous  
charcoal, the things  
were not to be overreactive  
over those things.

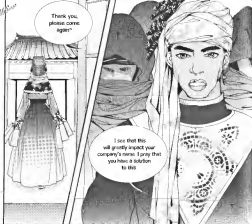

Now, I know  
that she's only going to  
wear the dress. And talking  
about Mrs. I think I've heard  
that the thing will be a good

So you were

Are you referring

In-Choi?

Can I ask you  
your reasons for leaving this  
person to do what he wants?  
Do you not have any thoughts  
of removing him?

Of course,  
sir.

We do  
have a plan.

Umm, I'll  
be leaving now.

Huh?  
Already?

Yes,  
teacher said I  
could leave.

I think he  
wants to concentrate  
alone. You know he's  
like that some-  
times.

Yeah...

Don't scare  
him too much... if

My lord, this is  
Jong In Choi. You called  
for me?

Come  
in.

I called you here  
because there was  
something I wanted to  
confirm with you  
directly

I'll just go  
straight to the point.  
Answer honestly.

A few days ago,  
in the case concerning the  
report from a business named  
Nemee, is it true that you  
purposely intervened with the  
investigation?

Speak  
the making you  
of this is true.

Did you purposely  
interfere with the  
investigation on the  
Korean case?

Yes

It is the truth.

Truth, you say?  
So it's true that an officer  
of the king has been ignoring  
the demands of his duty?

Real? Here,  
why don't we hear  
the reason for this.

Yes my lord.

Musashi is currently run  
by people who have close bonds with the  
notorious mafia group, the 'Yin' family.  
Lacking vast amounts of wealth in their advantage,  
they have already disrupted the business between  
the other Liege's merchants.  
It is also assumed that they will  
further create more disruption.

So- I'll shut ourselves  
and you to ignore  
the justice of a fair trial?

But sir, isn't it more important  
for the Shogun to protect  
the citizens' well-being rather than  
the fairness of a trial?

My last Officer Choi,  
his Eyes do An

Thank

I trust that  
you've been well!

I'm afraid that  
you've been ridiculed and  
placed in disciplinary  
measures because  
of our girls.

I truly apologize  
at a time like this

But that is not  
the only reason I came here.  
I was also hoping that you'd finally  
settle the issue between us  
and Han Kang

You are well aware  
that we can send  
Han Gang to jail at any  
moment, right?

If you are  
thinking of placing  
one finger on  
Miss Han Gang,

It was not just a couple  
of people at our factory  
who remember Han Gang's  
and the servants' lives.

I'll show you just  
what I am able to do with  
my power. I will not hesitate  
to destroy Minwoo and bring  
you back to your country without  
a single man left to spare.

Yes, yes.  
Isn't it because we are  
terribly afraid of office  
that I have come myself  
to plead with you?

Enough with  
your tricks.

Just do your  
job and be gone.

— Do you  
really treasure  
Rou Keng that  
much?

Yes... it's just the loneliness.  
Why would hot guys, who have power  
and nothing to lose, always give themselves  
to Rou Keng... It's not like she's  
incredibly beautiful, or what?

It was the  
time when we  
and Rou Keng  
were all  
school too.

*I was perfect  
in every way:  
beautiful face,  
fantastic skill,  
and even from a  
noble background.  
Of course, that  
amazing me  
was also preparing  
her school days  
as the goddess  
of "Romance"*

*All the girls at  
school were my  
maids, and the  
boys my slaves.  
Well... something  
like that?*

*Yeah,  
in a way.*

*Ah...  
I remember now.*

*There always seemed  
to have nice weather  
there too.*

*I thought  
we were talking  
about Miss Aoi  
Kang.*

*As that then,  
the Miss Kang  
that was studying  
with us.*

*Not even  
designer skills.*

*Was super  
rich, and had no  
background!*

*And she ignored me*

*She was an absolute bitch*

*But But  
There's more*

*Not only was there  
a sparkling hot and super  
smart guy, who looked like  
he was made just for me, but*

*But some people  
were head over heels  
for the King*

*There didn't seem a  
monster anywhere  
here then too.*

*It was in a heart  
he was so sincerely  
devoted to her that  
he'd give anything  
for her sake.*

*And that the King  
would then set us off  
she said and take just  
a portion of his  
love but to tell*

*I'll only  
take this  
much for your  
society.*

So, did she  
go out with him?

Yes, she  
wasn't you is

She's just wanted  
me off the island!

*After she had already  
taken a lot of her love each day,  
Hua Kong told him one day...*

Let's stop this now.  
I want to go back to my  
homeland.

*© Melissa*

*hoping that a former  
teacher wasn't for her,  
she dropped out of school  
early on the relationship  
she had with him,  
and left.*

*So that the  
sparkling but,  
super cannot get.*

*Ended up living  
married for life*

Or so  
the suit legend  
goes.

I don't believe  
in anything  
legend.

I am that  
you haven't learned  
anything from listening  
to this story.

Only that  
it was quite a worthwhile  
long, boring tale.

Oh! Oh, you are currently in a very difficult situation but I believe you still have things that you want to do for Han Kang... am I right?

There are...

Thoughts that do not need to be shared with you.

Oh! But I was just about to suggest a wonderful solution for you at this moment that will really help your beloved Han Kang

Leave him go.

For Hwa Kang's  
role—

How about this one

Wait! But  
that's the body  
carrying Beparis  
that I made.

Would You be  
the type who likes  
the things you  
made yourself?  
Of course, your  
body doesn't need  
any thing.

Because  
this is actually  
making me want  
to live like!

Wow, you  
really have good  
eye for stuff!

Hey Ann,  
come over here!

I found  
a Beparis that'll  
look great on  
you too.

The overall  
tone is purple but  
the yellow in it plus  
it highlights!

You're doing it again.  
Why are you so interested  
in Aoi?

Is not!

You know  
what I mean.  
Now stop it!

Alright, it's obvious:  
Aoi's been suspicious  
lonely, okay? Why are  
you overreacting?

That's why I'm asking,  
what's so suspicious about her?  
And what help will it do, asking  
Aoi? If you think Aoi would talk  
to her about me? With a  
personality like hers?

I'M TELLING YOU, THAT  
WASN'T A SIMPLE DATE WITH A GUY  
AND BESIDE THAT, THE TIME WHEN  
THE THREE OF US EVEN WHEN IT SEEMED  
STRANGE WE JUST LET IT SLIDE, AND NOW  
SHE'S HANGING OUT WITH A WEIRD GUY  
AT NIGHT! DO YOU THINK I WOULDN'T  
BE SUSPICIOUS?

Officer Duall

Miss Han Kang

I've just found that you are going to leave Lingbei, is this true? It won't be because of me that...

No

It is my fault.

My irresponsibility as an officer has caused me to have.

And it was not a good idea as well, even though Lord Sheng has had ordered me to return to the capital, I was thinking of visiting there anytime.

Please don't worry too much.  
Ah, that's right.  
If you have anything my lady would like to send to her honorable brother, allow me to pass it on.

Yes then.  
I'll wait around.  
I need to receive my sibling.

As of now,  
Thou I as well,  
shall take my leave.

*We are not saying  
your power is something  
to take lightly of, but I will  
once again repeat that  
I will not hesitate to send  
the King to prison."*

*And once she  
gives them, then  
there will be no doubt  
that the Men who will  
achieve. After that,  
it will be difficult for it  
to rise again.*

*But, if I offer the  
promises to your Legation,  
I'll make sure that the King  
will no longer be threatened  
by this incident! Now, isn't  
this a better solution  
than getting him?*

How wonderful  
would it be if our Chat,  
if you had been more  
important to her  
than her shop—

But, alas, that's  
not the case—

Please leave  
this place.

What should I do?  
Officer Doi...

Focus of me.  
Focus of me.

You... he said  
he's going back  
to the capital.

Let's talk about it later...  
I'm going home to rest.

It goes  
about what will  
make right.

I heard it  
from police officer  
you.

What is  
Mr. Choi say?

I didn't want  
Mr. Choi. I just now into  
the house in front of  
the police station.

There is a story  
that Hwangah already has  
control over police station.  
I am sure the reason Mr. Choi  
get fired is not only caused  
by the factory incident  
but also Hwangah has  
something to do with it.

I don't  
think so...  
How could have  
Hwangah did it?

Father!

Why are you outside?

Today's party,  
ladies, gals and young adults  
will be a full out.

As you can  
see, we need to prepare  
lots of things such as  
accessories, jewelry  
and more.

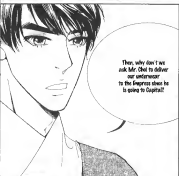

We will  
do accessories  
by our hands.  
So, do you,  
you need to show  
your abilities.

When we are  
done with all the party  
designs, Young Ah will  
be in charge of  
everything.

Ah-ry, Jack-Moon  
Ja-hong will be helping  
Young Ah, Ja-Moon needs  
to help design the room and  
accessories for the party.

There will really  
be no difference to the work,  
you guys really do  
let us do your best!

Have a nice day

Come again

Thank you  
for coming

Ah-Eo  
Can you clean up  
here?

Jo-Min came  
here for a special  
reason

Are you  
really going to tell  
Jo-Min?

I told you  
that I will!

바람까지

Please spy  
on Ah-ra.

You don't have  
to believe what  
I said yet...

Just do  
as I told you  
because right now  
it is time for us  
to be in alert.

So... She thinks  
Ah-ra is with those  
thieves... and wants this  
suspicious looking man  
at night as secret. So she  
is suspecting her-

However,  
Even though they  
have worked together for  
a long time, just because  
Ah-ra is an outsider  
they suspect her  
is enough

I saw an outsider too...  
and *she* worked longer  
than I did. What about  
us then? Things are not  
suspecting me!

And, I guess if one of  
us helped that I have such  
a handsome face that makes  
people trust me as a writer  
what happens.

Do you want  
to live here  
longer?

Yes...

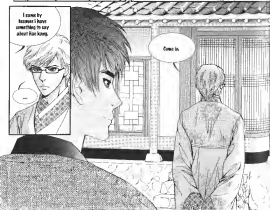

Shoot. Now I guess  
I have to keep my eyes  
on *she* even though  
I am not interested  
in her.

Excuse me...  
Do you know where  
Mendel, who works at  
police station, lives?

Oh... You I do...  
Mr. Choi Sun...

Story.  
What about  
the king?

I didn't  
mean  
all that!  
Downhere.

But King decided  
to make a special  
underwear for her  
majesty in order  
to heart himself

We finished  
the rough draft and  
it looks like we will  
start making it

I heard that  
you are going to the capital.  
So I hope you can try  
to tell her majesty about  
our underwear.

Yes.  
Of course, I will try  
my best.

Also, I came here  
without telling Her King,  
so please don't tell her  
about my visit.

Why?

Because she thinks  
it is too much to ask you to follow  
when she thinks it is her fault  
that you are going to the Capital.

When I see Kung  
I told her that is not  
how it is...

Ahhh... Kung  
is so hurt because  
you are leaving.

Here you go!

She became  
very quiet and she  
cries all the time.

If you are done talking  
please leave.

Don't  
think I will sound  
bad!

Jim Mio.

It will be more  
certain after I visit  
the Council.

I will tell you  
because it is almost  
a fact even without checking.  
Last time, the contract I gave  
you which you called  
no "true fact."

I don't have to  
do that anymore

Yeah...  
Because of Mr. Chu  
I feel weird.
